

# QA create bug

A screenshot of a web application window titled "QA". The window has a light blue header bar with standard window controls (minimize, maximize, close) on the right. Below the header, there are two tabs: "create" (active) and "edit". The main content area is enclosed in a dashed border and contains three input fields: "bugname" (a small text box), "summary" (a small text box), and "description" (a large text area). A "save" button is located at the bottom right of the form area.

# QA bug edit and delete

A screenshot of a web application window titled "QA". The window has a light blue header bar with standard window controls (minimize, maximize, close) on the right. Below the header, there are two tabs: "create" and "edit", with "edit" being the active tab. The main content area is enclosed in a dashed border and contains a table with five columns: "bugnumber", "bugname", "date", "bugsummary", and "bugdescription". Below the table, there are three input fields: "bugname" (a single-line text box), "summary" (a single-line text box), and "description" (a multi-line text area). At the bottom right of the dashed box, there are three buttons: "edit", "delete", and "cancel".

# RD bug list

The image shows a screenshot of a software window titled "RD". Inside the window, there is a tab labeled "BugList". Below the tab is a table with the following columns: "bugnumber", "bugname", "date", "bugsummary", "bugdescription", and "solved". The first row of the table has an asterisk (\*) in the "bugnumber" column. The rest of the table is obscured by a large grey rectangle.

# RD solved bug

The image shows a screenshot of a software application window titled "RD". Inside the window, there is a tab labeled "BugList". Below the tab, there is a table with the following headers: "bugnumber", "bugname", "date", "bugsummary", "bugdescription", and "solved". The table is currently empty. Below the table, there is a form with three input fields: "bugname", "summary", and "description". The "bugname" and "summary" fields are single-line text boxes, and the "description" field is a multi-line text box. To the right of the "description" field, there are two buttons: "solved" and "cancel".
